

Mohsin ALI

Student

About Me

I'm Mohsin Ali, an intermediate student with a strong foundation in programming, SDLC, SEO, and web development. I enjoy building small software applications using Python and am eager to expand my skills in the tech field.

Education

Uswa Public School and College
Matric in Computer Science
2021- 2023

Uswa Public School and College
Intermediate in Computer Science
2024-2025

Skills

- Management Skills
- Programming
- SDLC
- Web Development
- Critical Thinking
- Leadership

Experience

Computer Programming 2019 – Present
Self-Employed

Since 2019, I've been learning and working with various programming languages, including Java, JavaScript, C, C++, CSS, HTML, and predominantly Python. I have hands-on experience creating small software applications using Python.

Career Counselling 2021-Present
Uswa Public School and college

Since 2021, I've been assisting fellow students with career guidance, helping them navigate challenges, explore scholarship opportunities, and make informed decisions about their future paths.

Youtube Analyst 2019-2022
Youtube channel

I've helped numerous YouTubers grow their channels by advising on topic selection, content management, and overall channel strategy.

Web Development 2021-2023
Wordpress/Local

With around 2 years of experience, I have expertise in website development through WordPress, along with programming and blogging skills. I've built and managed websites, leveraging both technical and creative aspects to deliver effective online solutions.
